

Nokia X20

Finally, a phone to feel good about.

Colours:

Midnight Sun

Nordic Blue

Key features:

Three years of software and security updates are supported by a three-year warranty, so you can keep your phone out of landfill and in your hands for longer. The 100% compostable case, designed to be hard on the ground and soft on the Earth, is included for additional protection.

Capture more of the moment, as it happens.

With Dual Sight multi-cam mode, you can shoot videos from different angles at the same time. And, with 5G¹ speeds you can upload and share them in an instant.

ZEISS Optics makes every movie a masterpiece.

Our 64MP quad camera with ZEISS Optics and AI assist lets you shoot cinematic quality footage of grand landscapes, phenomenal close-ups, and vibrant portraits. There are also tools for colour-grading and mode settings to help enhance your story.

Make your mark.

Sharing a proof of concept or shooting for fun? Add a unique signature and make it yours.

A shot in the dark.

Making a video call doesn't suddenly disappear at sunset. With Nokia X20 you can trust the high-quality front-facing camera that is primed for action, day and night.

See the bigger picture.

Clear, crisp 6.67" Full HD+ punch hole display that fills the screen and up to two-day battery life².

Software that keeps getting better.

With latest Android™ 11, three years of OS updates and three years of security that constantly updates, you'll always be ahead of the game.
