

# CRUCIAL X10 PRO

## Portable SSD

## Real speed. Raw power.

### Palm-sized storage with blazing speeds up to 2,100MB/s

Elevate your video editing experience with the Crucial X10 Pro SSD: the portable drive that packs a palm-sized punch. With sequential read and write speeds up to 2,100/2,000MB/s<sup>1</sup> and up to 4TB<sup>2</sup> of space, your X10 Pro can connect directly to your laptop or workstation via a convenient USB-C cable<sup>3</sup>. Blaze through your multi-cam timeline and even edit, trim, and render directly from the drive. The Crucial X10 Pro works<sup>4</sup> with Windows, Mac, Android™ devices, and more. Featuring Micron® TLC NAND plus water and dust resistance (IP55)<sup>6</sup>, the Crucial X10 Pro is the perfect partner in the studio or in the field, giving you the raw performance, lasting durability, and generous capacity you need.

Blazing fast speeds  
reads & writes up to  
2,100/2,000MB/s<sup>1</sup>

Durable design,  
IP55 water and  
dust resistant<sup>6</sup>

Works with your  
favorite devices

## Powerful performance

With read and write speeds up to 2,100/2,000MB/s<sup>1</sup>, the Crucial X10 Pro Portable SSD is powerful enough for editing directly from the drive.

## Broad compatibility

The X10 Pro works with<sup>4</sup> Windows, Mac, Android™, iPad, PC, Linux®, Xbox and PlayStation gaming consoles, all via a plug-and-play USB-C<sup>3</sup> cable.

## Security that travels with you

Protect sensitive data in the studio, in the field, or while traveling with password protection and 256-bit AES hardware encryption<sup>8</sup>.

## Dust and splash proof durability

With IP55 water and dust resistance<sup>6</sup> and drop-proof durability up to 7.5 feet/2 meters<sup>10</sup>, your X10 Pro Portable SSD is tough enough to travel anywhere you shoot, work or roam.

## Professional quality

Engineered by Micron, the Crucial X10 Pro Portable SSD comes in anodized aluminum with a rubberized soft-touch base in a mini 65 x 50 mm design that includes a drive activity light in the integrated lanyard hole.

## Micron® quality – a higher level of reliability

Micron redefines what's possible with innovative technology that shapes how we use data in all areas of life. Crucial's unique integration with Micron means our memory and storage components are designed, tested, and refined at every stage of the production process.

### Compatible with

- Windows
- MacOS
- Linux®
- Android™
- PC
- iPad
- PlayStation®4
- XBOX®4

### Interface

- USB 3.2 Gen2 2x2 Type-C (20Gb/s)
- USB 3.2 Gen 2/USB 3.2 Gen1/USB 3.1 Gen1/USB 3.0 (5Gb/s)

### Compliance

Compliant for sale in all countries with which Crucial deals worldwide. Regulatory marks include CE, KCC, RCM, UL, WEEE, RoHS, BSMI

1. MB/s speed measured as maximum sequential performance of device as measured by Crucial on a high-performance desktop computer with Crystal Disk Mark (version 8.0.1 for x64). Your performance may vary.
2. Some of the storage capacity is used for formatting and other purposes and is not available for data storage. 1GB equals 1 billion bytes.
3. Best speeds available with included USB Type-C to C cable on USB 3.2 Gen2 supported devices. Use USB Type-A adapter for older devices. USB 3.2 Gen2 2x2 full performance can only be achieved on USB-C host devices.
4. Compatibility may vary and may be contingent on device formatting and host capabilities. Compatible Android devices must be able to work with USB Mass Storage over OTG. Operating system updates and reformatting may be required.
5. For more information, visit [crucial.com/x10pro](https://crucial.com/x10pro).
6. Protection against dust and water projected in jets against the enclosure from any direction. The X10 Pro should not be submerged in water. For more information, visit [www.iec.ch/ip-ratings](https://www.iec.ch/ip-ratings)
7. Ships in exFAT format. Can be reformatted into NTFS, APFS, HFS, HFS+J or other formats. Re-formatting will result in loss of data from the drive.
8. Works with BitLocker To Go on Windows and FileVault on macOS. Crucial Portable SSD Utility application for Windows and macOS launching September 2023.
9. Warranty valid for 5 years from the original date of purchase by an authorized seller, or before writing the maximum total bytes written (TBW) as published in the product datasheet and as measured in the product's SMART data, whichever comes first.
10. Up to 7.5 ft/2 m without impact to data on a carpeted floor.
11. One-month complimentary Adobe Creative Cloud personal All Apps plan available with eligible Crucial SSD purchase. Adobe Creative Cloud ID and Crucial product registration required for redemption. Eligible Crucial X10 Pro SSDs: CT4000X10PROSSD9, CT2000X10PROSSD9, CT1000X10PROSSD9 must be purchased between July 25, 2023 and December 31, 2024. Offer limited to one redemption per eligible Crucial SSD purchase and registration; up to two per Adobe Creative Cloud user account, subject to acceptance of applicable Terms of Use, while activation code supplies last. Additional terms and conditions may apply. See [www.crucial.com/x10pro](https://www.crucial.com/x10pro) for more information. Micron Technology reserves the right to change or discontinue this offer at any time without notice.
